

The following are the guidelines in order to have your Corvette considered for display at the National Corvette Museum:

- a. We would like the car to be available for a 9 to 12 month period.
- b. You are responsible for transportation to and from the Museum.
- c. When the car is placed on display you are responsible for any additives for the gasoline.
- d. The Museum has battery tenders that can be placed on the car periodically if you wish.
- e. The Museum requires that you maintain your own fire, theft and damage policy. Please include a copy of "proof of insurance" with your application to display your car.
- f. We do require that you be a member of the Museum to display your car.

Please submit the completed forms along a couple of current photos of your Corvette. Once the completed forms and pictures are received a file will be set up and when an opening comes up for your model year, it will be presented to the Display Committee for consideration.

If you have any other questions please contact Betty Hardison at betty@corvettemuseum.com or call 800-538-3883, ext. 141.
